Alice Lorange

Notes: A story I had deleted from Ao3. I was able to recover it thanks to "AO3_final_location" on the Internet Archive! Many thanks to Entropy11235813.

TW: Rape by purple ghostly creatures.

Alice Lorange, an 18-year-old redhead woman with autism, opens her green eyes. She's no longer in her room, but in a large room filled with books on shelves. She is also naked and, strangely, her pussy is wet. *What's going on?* She wonders. *It doesn't look like a wet dream.* Yes, Alice often has erotic dreams to compensate for her disgust for sex in reality. It must be said that with her sensitive skin that "burns" easily, she doesn't see how she could make love with a man. Besides, she finds the idea of cumming disgusting. However, in her dreams, it's the opposite. She loves to experience pleasure and to cum.

Suddenly, she hears moaning between two rows of books. Alice goes to check it out and she comes across a male purple ghost creature. The thing thrusts his semi-transparent penis into a Japanese woman's buttocks, then pulls it out, again and again. The woman, with black hair tied in a bun and dark brown eyes, moans and cries. Like Alice, she's also naked.

"Hey!" Said Alice without thinking. "Leave her alone!"

The male ghost creature releases his cock from the Japanese woman, the lady flees, then rushes to grab Alice. Alice, not wanting to be fucked by this thing, runs away.

Running between the rows of books, Alice finds the Japanese woman again.

"Are you okay?" Alice asks the woman.

"Yes, but there is no escape. Those male things, the Traces, have trapped us in their dimensions."

"What? How? Isn't this a dream?"

"NO, you aren't dreaming! Our bodies will give them pleasure until the end of time! I am Alice Kurosawa, and you?"

"Alice Lorange. Are we alone here?"

"No, there's Alice Brown, a dark-skinned American woman, and Alice Blondinka, a blonde Russian woman with small blue eyes. Maybe you will meet them. Who knows? We address each other with our last names. It's easier that way."

On these words, Kurosawa leaves and Lorange continues to run when two Traces appeared. *NO!* Lorange tries to avoid them, but they seize her. While one Trace lifts her in the air, the other circles her clit although her pussy is already wet before entering his finger hard in her vaginal entrance. Lorange yells. *Shit, that hurts!* Le Trace pulled out his finger and pushed it into the young red-haired woman's hole, again and again and again. He also rammed her G-spot, wanting to make her cum. Lorange, despite the pain, moans but her skin irritates her, scratches her, "burns" her. This confirms that In Real Life sex for her is a big NO. The Trace continues to possess her pussy with his finger until she breaks and cum.

Lorange doesn't have time to catch her breath that the Traces switch their role. The one who had fingered her pussy is going to hold her in the air. The one who held her moves his finger over her pussy, wetting it with her love juice. The Trace licks his finger, then enlarges Lorange's pussy entrance with two fingers, and his tongue quickly licks her semi-transparent fluid. The young red-haired woman starts to moan again. She also starts to scream. *NO, this is a nightmare!* But it was real. After the Trace has finished licking up all her divine juices, he rams his cock into her. Lorange is a virgin. The pain of her hymen breaking, the blood flowing, the Trace pulling out and entering again his dick inside her, it is too much for Lorange. She faints.

When Lorange comes to, she's in another room. She sees three other women. Kurosawa, whom she already knows, a blonde woman, Alice Blondinka, and a dark-skinned woman, Alice Brown. The three women are chained by magic chains and Traces are fucking them. Two Traces suck on Brown's nipples, a third one fingers her butt hole. A Trace penetrates Blondinka by her asshole, another rams two fingers then three in her pussy, a third put his penis in her mouth. Kurosawa has a Traces' group on her. One plays with her breasts, fondling them, squeezing them, pinching her nipples. Another fucks her asshole. Another slides his cock between her tits, a Tit Fuck. The last one has his cock in her pussy and his thumb is pleasing her clit.

The three Alice moan with pleasure and pain and Lorange is in despair. She'll never return to her home on Earth. She'll be the

plaything of the Traces forever! As one of them appears near her, Alice Lorange screams in terror. The Trace thrusts his penis into her mouth, silencing her. Another Trace joins him and thrusts two fingers into her pussy. She's going to cum for him.

TW: Human/Monster, Tentacles Sex, rape mention.

Alex, a blond 18-year-old man, is a Rift Breaker. He and his friends Aimé, Lily and Nana must protect their town, Xodias, from monsters that crave blood and sex. Only a handful of adults, chosen at random from each generation, becomes Rift Breakers. Alex is one of the chosen ones.

Today, Alex explores his city looking for Rifts, light cracks where monsters come from. Only the Rift Breakers can see them. As for the monsters, since they come from the Rifts, they are also invisible to normal people, so unexplained murders and rapes take place.

Suddenly, Alex sees one. He materializes his magic weapon, a knife, to break it when a bird woman comes out of the Rift. Alex thinks he'll have to kill her, but the bird woman doesn't seem interested in killing anyone. This harpy shows off her breasts and holes. Alex then realizes that she just wants to have a good time with a guy. His cock gets hard. He's going to pleasure her.

Alex makes his knife disappear, exposes his cock and approaches the bird woman. The creature, seeing his dick, coos with pleasure. The bird-woman caresses Alex's penis and gives it light pecks with her beak. Alex feels hot quickly. When the creature invites him to penetrate all her holes, Alex is happy to do so. His cock thrusts into her. The bird-woman makes a strange sound. It must be an orgasm. Alex pulls out and pushes his cock back into the bird woman until he ejaculates. He's happy but his penis has other holes to fill.

Meanwhile, Lily, a dark-skinned woman, and Nana, a Sakumari woman, experience pleasure with a tentacle monster. Its tentacles play with their breasts, moving gently in and out of their holes, and the two women moan with joy. At first, when they came across the monster, they were afraid of being raped, but the tentacled creature is a true gentleman. The monster even gave them the choice to leave! Lily and Nana preferred to have a hot moment and enjoy themselves. They'll still have to eliminate it later. After all, that's the duty of every Rift Breaker. Eliminate the monsters, break the Rifts, protect the city. Alex will sadly have to do the same with the bird woman.

Aimé, the last of the active Rift Breakers, a red-haired man who shares

his body with souls that give him powers over the elements, sulks. Alex, Lily and Nana have some sexy time. All he has are zombies who want to eat him. As Aimé kills them with elemental attacks, he screams a curse. That's not fair!

Denis

TW: Rape. Mention of drugs.

Denis had freed the Cursed Queen Ixelda and her Dark Fairies by accident. Ixelda was the Fairy Queen, but she became evil due to the fairy hunts which took place centuries ago. Her soul became filled with an evil energy. Denis, normally, would eliminate her to prevent them from leaving the Melyanie Forest to dominate the world, but the Cursed Queen offers him a proposal he cannot refuse.

"Sweetie, why don't you join me? You'll be happy as my pet."

"I'm nobody's toy!" Denis retorts to the evil queen.

"Oh, sorry, I misspoke. By pet, I mean my sexual companion. Look."

Ixelda shows him her pussy. Her hole is shining.

"This is the fairies' magic. Enter me, Denis, you'll love it."

Denis can't refuse to fuck a fairy, especially a queen, so he takes off his pants, exposes his cock, and enters Ixelda. The fairy's magic then takes effect. Denis' libido soars and he feels like he's floating in the air, as if he's under the influence of a drug.

"Ohhhhhh, wow!" He says. "That's wonderful. Ixelda, I want to be your companion. Can I cum inside you?"

"Sure, sweetie. Have fun."

Denis then penetrates the Cursed Queen several times until he comes inside her. Ixelda also makes her milk flow from her breasts, so that Denis can drink from her. Denis is in ecstasy and euphoria. He could fuck her non-stop for the rest of the night.

"Ohhh, Denis. Keep going. Get in my asshole, please."

Denis obeys the queen. Ixelda moans and she invites her Dark Fairies to play with Denis. An orgy of several hours takes place.

After the orgy, there is still time before sunrise. Ixelda proudly announces to her fairies that their world domination will begin at dawn. Men will be their slaves and will give their seeds. Women will

be their toys. Their pussies will always be wet by their fingers and their magic. As for Denis, he is Ixelda's companion for eternity.

"I will fulfill all your wishes, my dear. After all, you freed us from this dimensional prison. Tell me what would please you."

Denis, still under Ixelda's magic influence, wanted to say a woman to fuck and then his soul is filled with a dark energy. The same evil energy that the Cursed Queen carries. Denis then thinks of his ex-girlfriend, Lena. Lena who had broken up with him, breaking his heart. This bitch must pay and belong to him.

In reality, Denis was responsible for their breakups. He forced Lena to become "Mimiko", a virtual idol he's hooked on. Lena had to cosplay as Mimiko, dye her hair, talk like her etc. But Denis' soul is filled with darkness, and he always denied that it was his fault that Lena broke up with him.

"I want that whore, Lena. I want her to be mine."

"Very well." Said Ixelda, snapping her fingers.

Lena, naked, bound and gagged, appears in front of Denis. She pushes choked cries by seeing him.

"Hi. Little bitch."

Denis slaps her in the face.

"Did you think you could get away with this, huh?"

Denis slaps her again.

"Now you're mine. Ixelda?"

"Yes, dear?"

"I want her breasts to make milk."

The Cursed Queen uses her magic and milk flows from Lena's nipples. Denis suckles them, one at a time, with force, enjoying Lena's milk. Lena screams, moans and cries, but her sounds are muffled by her gagging. Denis removes his lips from her nipples. He laughs then he pushes two fingers in her pussy.

"Ahhh~, do you like that, you little bitch?"

Denis caresses her inner walls.

"My fingers will possess your dirty pussy. You will cum for me."

Denis withdraws his fingers then he enters three of them inside Lena. Lena screams. Denis pulls out and puts his fingers inside Lena's pussy again. Again, again, again.

"Yesss~ Cum, my whore, my Lena!"

Lena breaks quickly and cum, but Denis keeps his fingers in her. Lena wriggles, moans and cries more.

"That's good, my pretty. Very good. Let's wait a little while before my tongue savors your beautiful little juice."

Denis waits three minutes. He removes his fingers from Lena's pussy. He quickly licks her entrance and her pussy's interior, drinking all her love juice. When Denis is done, he penetrates her asshole and, when he feels that he's going to cum, Denis enters her vagina and drops his seeds inside Lena. Lena continued to moan, but her eyes no longer produced tears.

After Denis pulls his cock out of Lena's vagina, he smiles. She is now his. He also has Ixelda and her fairies to give him pleasure. Before the day rises, and Ixelda begins her world domination, Denis has a last wish to ask her.

"Whatever you want, honey."

"I want Lena to be a virgin again and again, then I can break her hymen until she submits to me!"

"Your wish is granted."

Denis looks at Lena's entrance. She's a virgin again. He laughs, like a madman, before ramming his cock in, breaking her hymen. Blood flows on his penis.

Iliana

TW: Doll Woman Alien/Skeleton Alien. Dub-Con. Mention of rape and torture. Drug use.

Diana, Iliana, Victoria and Alissa, space mercenaries, are captured by an alien skeleton warlord. The alien, Kamiro, is interested in Iliana. He agrees to free them if Iliana sleeps with him.

This isn't the first time that Iliana had to offer her body to get them out of tough situations. She had to sleep with Timothy last week. Timothy, an alien with greenish skin and red hair who is madly in love with her, but whom Iliana doesn't like. Besides, Iliana is a lesbian, so she has always been uncomfortable in sexual relationships with men. But she has no choice. Between sleeping with Kamiro or being raped, tortured by him, the choice is simple.

Iliana accepts Kamiro's deal. The skeleton smiles.

"You won't regret it, beautiful Iliana."

The warlord has always been polite and gallant towards her. Iliana's appearance, resembling a living doll with her large eyes, must have something to do with it. Iliana has silver hair, gray eyes and a very pale skin, like porcelain.

Kamiro leads her into a room that serves as a bedroom, as there is a large bed. He takes off his outfit, a mix between an armor and a space suit, and he invites Iliana to undress. Iliana sighs and she takes off her tight blue suit. Seeing her curves, her small breasts, her pussy, the thinness of her arms and legs, like a fragile doll, Kamiro is amazed. He has never seen such a creature in all his space travels and conquests.

"Ohhhh Iliana~" he said in a seductive tone. "I think you are stealing my heart."

"No, Lord Kamiro." She said in as neutral a tone as she could muster, for she knew that her voice was attractive to many aliens. "You are much stronger than that."

"What does this have to do with my strength?"

"You, who have conquered so many planets, cannot foolishly fall in love with an ugly thing like me."

Kamiro's eyes flare with rage and before Iliana can react, he hits her in the face. His blow is so powerful that she ends up on the ground.

"NEVER SAY THAT AGAIN!" He yells, his voice now deeper and chilling. "You're not ugly!"

"But..." Iliana said as she stood up. "I think I'm ugly."

It wasn't quite true, but by dint of attracting aliens of all kinds for her "beauty", Iliana began to feel less and less beautiful.

"Why?" Kamiro asks, his anger seemingly gone all at once. "What do you find ugly?"

"Well..."

Iliana looks at herself.

"My body... it looks so fragile..."

"It holds a hidden force, I'm sure."

"My breasts... they are so small!"

"Small, but divine."

"And then..."

"Iliana. You look radiant and I'm sure you've stolen my heart."

"Lord Kamiro, do not say that. I..."

Kamiro interrupted her by taking her in his arms. He put her down on the bed and stood over her.

"Shhhh... Iliana. Let me honor your body."

Kamiro's skeletal hands touch Iliana gently. Her face, her neck, her chest, her back, her arms, her legs. He runs his fingers through her long hair and then places his hands on her breasts. Iliana is startled.

"Don't be afraid, beautiful Iliana."

Kamiro massages them gently. He kisses her neck and Iliana moans weakly. He pinches her nipples softly. Iliana moans again.

"Ahhh~... Such beautiful breasts."

Kamiro kisses them and suckles them slowly. His hands caress Iliana's back and she continues to moan. She is receiving pleasure, certainly, but she's uncomfortable. However, Iliana hides it well. She doesn't want to anger Kamiro and risk the lives of her friends.

"Let's now look at your jewel, your pearl."

Kamiro lowers his body and his hands spread Iliana's legs.

"Ohhh~, sacred pearl, I, Kamiro, will worship you properly."

His index finger circles it, presses it, teases it. Iliana's pussy gets wet. Kamiro uses his thumb to continue pleasuring her pearl and his index finger enters her pussy. Iliana is still moaning, louder and louder. Kamiro takes his time. His index finger caresses her inner walls, sinks deeper to her G-spot, then withdraws. Kamiro licks his finger.

"Delightful. Delicious~, Iliana. I want more."

He returns his index finger inside her to wet it and takes it out again to delight in her wetness. Kamiro does this action repeatedly, then enters two fingers, followed by three, enlarging Iliana's pussy to its maximum. Then Kamiro moves his fingers inside her faster and faster, ramming her G Spot, until Iliana orgasms and comes.

"AHHHHHH~, look at all that love juice, divine Iliana! It is mine, all mine."

Kamiro lifts Iliana up so that her pussy can be near his face and the alien licks all her juices. His tongue even goes inside, not wanting to miss a single drop. When he's done, Kamiro says he wants more so he injects Iliana with a drug and starts fingering her pussy again. Iliana cum again and Kamiro licks up all her new love juice. Iliana orgasms over and over again.

Finally, it's time to penetrate. Kamiro enters his cock slowly into her, into her temple, and he pulls it out. Again. Again. Again. His skeletal hands return to caressing Iliana's small breasts. As Kamiro sucks her nipples again, he pulls his cock into her temple and ejaculates, offering his seed to Iliana. Kamiro stays inside her for a long time, wishing that time would freeze, then he withdraws his penis.

"It's over." He said sadly. "As agreed, I shall free your friends."

"I thank you, Lord Kamiro."

Iliana slowly gets up and gets dressed, despite the traces of love juice and semen in her pussy area. Kamiro does the same and he holds himself back from making her his prisoner. He wants her so much.

The warlord frees Diana, Victoria and Alissa. Iliana joins them and they can leave by taking back their spaceship. Before takeoff, Kamiro communicates with them.

"Divine Iliana, know that my heart belongs to you. My code of honor obliges me to let you go, but, next time, you will stay by my side for eternity. Your body will be mine. You..."

Diana cuts the comms. Iliana thanks her. Victoria sighs. Another "mad suitor" for Iliana. Alissa launches the spaceship and it goes into hyperspace.
